

Hi!

We are glad you are interested in working with us. Here is a little more information. We hope to see you at camp!

Dave

WHY WE DO THIS:

To create relevant camping experiences for youth for the purpose of:

- * Sharing the Gospel of Christ
- * Encouraging growth in Christ
- * Providing training for young Christian leaders
- * Providing opportunities to learn and practice English

HOW TO APPLY:

1. Read this brochure and decide if you want to work at English Camp.
2. Download an application at: www.english-camp.at/Staff.
3. Fill it out and mail it to Martina Eisner (Salzbergstr 83, 6067 Absam) as soon as possible.
4. Find three Christians who know you well (church leader, youth pastor, friend) and who are willing to fill out your reference form and mail it to us (Salzbergstr 83, 6067 Absam).
5. Wait for our response.

After you've been accepted, we will send you the training material, contact you about when and where to show up and give some help on "how to raise support".

QUALIFICATIONS AND EXPECTATIONS:

COUNSELORS must be 18 or older.

Sharing your faith and being an example to youth is a privilege and a great responsibility. One aspect of this responsibility is being a person of integrity and a role model for others to follow. Therefore, our concern is to find capable people with a high degree of Christian maturity and enthusiasm, who are willing to set aside some of their own needs and desires to serve campers. Each staff member has specific duties, but all are expected to be prepared to teach camper devotions and counsel a camper in need of help.

At E-Camp, counselors live in cabin group (about 4-8 campers). You might work with an American counselor or lead a cabin group by yourself.

Responsibilities include supervision of the cabin group, individual spiritual counseling, helping teach English (as learned during staff training), leading Bible studies and assisting in evening chapels.

Counselors are encouraged to develop their personal walk with Christ and try new leadership challenges. This is accomplished through training activities, leading English classes, leading cabin devotions and serving in all different areas.

Counselors also receive evangelism training and are given many opportunities to share their faith.

HOW MUCH DOES IT COST:

We would like you to raise support for the time you are at Camp. Please ask your church or some friends to support you by giving money and praying for you. The cost for one week is:

150,- euros per week (plus 50,- for every extra day)

That includes housing, food, training material, training time before Camp and activities during Camp.

TRAINING & PREPARATION:

We also want you to come prepared. If you have sent us your application and references and were accepted, we will provide you some training materials.

- Training materials provided before camp
- Pre-Camp Team prep (1-2 days before camp starts)
